RE: IRWIN v. FORD MOTOR COMPANY, et al.  
GRANT TIRE INSPECTION

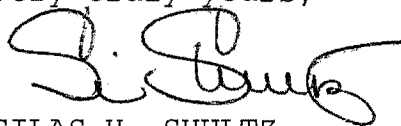

Dear Foster:

This will confirm our agreement regarding Joe Grant's inspection of the Celi vehicle's companion tires. These include the left front, right front, right rear, spare tire and rims. Mr. Grant has previously inspected the left rear "accident" tire at another location. The inspection will take place at the Lewis & Roca office in Phoenix. We will deliver the tires, stay with them until Mr. Grant completes his inspection and then take them to our storage facility.

Any questions, give me a call.

Thanks.

Very truly yours,

SILAS H. SHULTZ
